

Landscape Architect - London/Nottingham Studios

Opportunity for Talented Landscape Designer

The Opportunity

We are looking for an enthusiastic Landscape Architect to support our growing International and UK portfolio of work. This opportunity is likely to be of particular interest to a strong designer with a desire to be involved in design-led projects at all scales and stages. This is an exciting opportunity to join CBA's design studio at the heart of this respected and exceptional consultancy. CBA attracts multiple awards and has created a reputation for high quality service. We practice and are committed to an interdisciplinary approach to design and landscape-led masterplanning. Our teams have developed a uniquely diverse portfolio of challenging and innovative design-led projects over the past 40 + years. These include some of the finest landmarks and destinations throughout the UK, Europe, the Middle East and the Far East.

The Candidate

Candidates will need to:

- Be on the Pathway to Chartership with the Landscape Institute (or equivalent)
- Have 2+ years post-graduate experience, preferably in private practice/consultancy
- Demonstrate conceptual design/graphical presentation skills and developed design/technical design skills
- Possess good presentation skills (graphical, oral and written)
- Demonstrate a good level of skills in AutoCAD, Adobe Photoshop, InDesign and Illustrator (Rhino/Revit skills are an advantage)
- Have the ability to work to project deadlines and be experienced in team working

Experience in working internationally on projects in the Middle East, North Africa and Eastern Europe is also an advantage.
