CBA has advised on the environmental impact assessment of wind energy developments in the UK since the early 1990's. Over the years, the company has undertaken strategic assessments of the capacity of landscapes to accommodate wind energy development to inform spatial planning processes, advised on planning applications and provided expert witness advice at numerous Public Inquiries for major wind energy proposals in England and Wales. Examples of CBA's wind energy project experience include: London Array Offshore Windfarm, Kent; Wadlow Windfarm, South Cambridgeshire; Moorsyde Windfarm, Northumberland; Penpell Windfarm, Cornwall; Glyndebourne Wind Turbine, East Sussex; Den Brook Windfarm, Devon; The Cambridge Windfarm; Baggots Park Windfarm, Staffordshire; Parc Cynog Windfarm, Carmarthenshire; Ray/Steadings/Green and Rigg Windfarms, Northumberland and Little Cheyne Court Windfarm in Kent.
